

National Stroke Awareness Month

Act **FAST** for Stroke

Stroke is an emergency and a “brain attack.” Learn how to act **FAST** and call 9-1-1 at first sign of stroke.

FACE

Ask the person to smile. Does one side of the face droop?

ARMS

Ask the person to raise both arms. Does one arm drift downward?

SPEECH

Ask the person to repeat a simple phrase. Is their speech slurred?

TIME

If you observe any of these signs, call 9-1-1 immediately.

Learn more about stroke prevention and warning signs at our awareness event.
